

BRINGING MENTAL HEALTH SERVICES TO YOU

Through our network of providers and offices across the state, Mississippi Behavioral Health Services provides the highest quality counseling services and treatment resources for children, adolescents and adults suffering from mental illness, emotional and/or behavioral disturbances.

Our philosophy of care is centered on the principle that mental health services should be client driven, family-oriented and constructed within the context of your unique situation and environment.

OUR SERVICES INCLUDE:

Outpatient Therapy | Psychiatric/Physician Services
Crisis Services | Psychosocial Rehabilitation
Community Support Services | Peer Support Services
Referral Services | Day Treatment
Evaluation Screening | Case Management

OUR PROFESSIONAL STAFF INCLUDES:

Licensed Psychiatrists | Licensed Clinical Social Workers
Licensed Professional Counselors | Mental Health Therapists
Community Support Specialists | Peer Support Specialists

We accept inquiries from individuals, family, and friends, as well as referrals from physicians, hospitals, schools, community mental health agencies and local/regional stakeholders.

LET US HELP YOU TODAY.
